Marking the second release on the newly-minted tastemaker label **Distinct Records**, **Jordiz** has arrived with "Metarave," his third original single of the year. Boasting over 1 million listeners on Spotify, as well as tens of millions of streams, **Jordiz** is one of the hardstyle genre's most promising young talents, and his brand new release is a true testament to his unmatched skills.

“Metarave” is out via **Distinct Records**, a new imprint by the **Boomerang Group**. The group is widely known for its superclub **Boomerang**, which was able to land on [DJ Mag’s colossal Top 100 Clubs list](#) in 2021 while being open for just 4 months. The luxurious club went on to [jump to #72 on the prestigious list](#) in 2022, and further cement itself internationally with its #52 ranking in 2023.

[Distinct Records](#) is slated to feature everything from pop and house to even hardstyle. The team behind **Boomerang’s** new imprint are well-known professionals behind European labels, while most of the artists signed under it are currently boasting over 800k monthly listeners on Spotify.

Filled with intoxicating melodies and expertly-crafted production, “Metarave” makes for one of **Jordiz’s** most exciting singles to date. The tune immediately pulls listeners in with its bubbly production and catchy vocals, before an epic barrage of synths leads them to the drop, where unique sound design, hard-hitting bass and distorted kicks take over.

About Jordiz

27-year-old **Jordiz** (Jordi Flikweert), born in the Netherlands, interested in everything about computers and technology from an early age. At the age of 12, he was already producing and composing his own music. At that time he was always behind his computer, with headphones on.

After the successful release of the track 'Weekend!' which reached + 6 million streams in record time and entered the big lists, **Jordiz** has developed his talents and skills like crazy in the hardstyle scene.

Jordiz's Happy Hardstyle does not go unnoticed as he has already released a number of releases on labels like **Kontor**, **Beatdealer**, **Musical Freedom (Spinnin' Records)** and **Cloud 9 Music**.

With a pure heart and loads of passion he plays at clubs and festivals. He gives amazing shows filled with visuals to give people the experience of their lives, also internationally. Think of the **Octopus** and **Medusa** festivals in Valencia, where he plays in front of 30,000 - 50,000 people this year. Besides all of this, **Jordiz** has a collab with **Dante Klein**. The track 'Life' has already generated a lot of streams and is still growing every day.

Jordiz is making crazy progress with his *Happy Hardstyle*, please don't be surprised if you see him releasing a commercial track every now and then.

About Boomerang

Boomerang opened its doors back in Halloween 2020 before having to temporarily shut down amidst the height of the pandemic. Since re-opening their doors again however, word has spread like wildfire throughout Hong Kong's nightlife scene, earning them raving reviews and making this club the epicenter of all of Hong Kong's hype. The main driving idea behind the club originated with **Deejaykarlie**, a local female icon within the Hong Kong music scene, who channeled her experiences traveling the world (the endless social exchanges and visits to international clubs) into the conceptualisation of the club. Building upon **Deejaykarlie's** inspiration comes the "Asian Clubbing Dragon" **John Rana**, the owner of **Privé Group**, with over 15+ years of experience in Hong Kong's nightlife scene and drawing on past successes like **Bungalow**, **Levels**, **Privé** and **Privé Nepal**. **John Rana** holds the vision to create a 'landmark' within the nightlife industry in Hong Kong.

Boomerang has additionally joined forces with **Remembaasia** - one of Asia's most renowned artist managements and agencies, making waves within the industry through their inspired partnerships. Resident DJs at **Boomerang** include an impressive lineup of **iLtik**, **Yaman** and **Krayon**, all pioneering artists within their own rights, having performed at the likes of **Creamfields**, **Looptopia** and **WorldClubDome** while each crafting their own unique style of performance and production.

Boasting peak exclusiveness, **Boomerang** remains packed every weekend, with long queues and endless demand, as they set the stage for even bigger and better things to come. Be prepared for exclusive creative events, festivals like never before experienced and pre-parties with acts sourced from around the globe, ranging from household names to underground trend-setters.

With exciting plans on the horizon and each week bringing something new, **Boomerang** is poised to become the next key spot for tourists to visit in Hong Kong, as well as for locals to enjoy. The group behind the mega-club is expanding rapidly towards the nightlife scene. Their affiliate nightclub **Privé** in Nepal having just been opened back in early August 2022, with bigger plans and tours coming up.
